INFORMATION REGARDING HOW WINNER WILL BE CHOSEN AND PRIZES AWARDED

At the end of the cub name submission portion of the contest, the names of ALL of the FANS along with their 2 CUB NAME SUBMISSIONS will be placed into an Excel Database.. Excel will sort the cub names and will determine which cub names have the most submissions. We will then have the 3 most popular girls' names and the 3 most popular boys' names (6 NAMES TOTAL) to be placed on a SHORTLIST. The SHORTLIST will then be sent to Dr. Rogers and Sue for their approval. If they DO NOT APPROVE of a cub name or names that are on the shortlist, they will inform Jill Wheaton Lindsey, at which time she will go back to the EXCEL DATABASE and choose the next most popular name(s) to replace the one(s) that they do not approve. DR. ROGERS AND SUE will make the FINAL CHOICES of 6 CUB NAMES on the SHORTLIST.

Team Bear truly appreciates the honor and the privilege to participate and present the Cub Naming Contest. We understand their desire to approve the SHORTLIST! After all, the Researchers and fans will have to live with the choices---hopefully, for a very long time!!

DRAWING FOR WINNER TO CHOOSE CUB NAMES FROM THE APPROVED SHORTLIST

Names of ALL fans who have submitted cub name entries will be placed into a DRAWING. On SUNDAY 2/20 at 11:00 AM EST, TEAM BEAR will announce the WINNING FAN who will choose names from the

APPROVED SHORTLIST of 6 cub names; 3 girl's names and 3 boys' names.

TEAM BEAR will send the APPROVED SHORTLIST to the WINNING FAN, who will have 24 hours—no later than MONDAY 2/21 at 11:AM EST—to send the winning two cub (boy and girl) names back to TEAM BEAR via email. TEAM BEAR will announce the WINNING CUB NAMES on MONDAY 2/21 at 8:00 PM EST.

***IF at some point in the near future, we are proven incorrect in the genders of the cubs, the winner of the contest will then have the honor of choosing from the ORIGINAL SHORTLIST, a corrected name for the cub.

****NO TEAM BEAR COMMITTEE MEMBERS WILL PARTICIPATE IN THIS CONTEST. We feel, that in fairness, if we are running the contests, that we should exclude ourselves from participation.
